

## **PRESIDENT'S REPORT**

Delivered by Tanya Waisbrod (President WDS 2006/07)

### **Achievements of Wellington Disc Sports**

- Supported more tournament exposure for Wellington players, both elite and beginners (Porirua, Oriental Bay, Taupo)
- Encouraged more players to register for indoor and outdoor leagues and improved organisation (thank you Beth and Marc!)
- Developed a discussion forum (thank you Juho, great legacy!)
- Contributed financially to Teaching in Schools project, administered by VUWFDC
- Attended the PENZ Oceania Conference, facilitated a coaching session for teachers
- Supported elite Wellington and National players in their training for the World Ultimate Club Championship in Perth
- Developed more sophisticated financial reporting mechanisms for individual events, and leagues
- Ensured WDS leagues and tournaments ran at a sufficient profit to cover development tournaments
- Juggled commitments to WUCC with commitments to WDS, a total circus act for most.

### **Specific achievements**

- High level of exec commitment to attend meetings, and fabulous support for projects
- League management structure excellent
- A Grade team structure working well Perhaps more straightforward to say: A grade membership is up to 5 teams due to the change in format.
- Social Grade league flourishing with 4 new teams since last season, making a total of 18 teams, or 150 people turning up to Martin Lucky every Tuesday evening!
- Team packs being used to promote events to Wellington players – great feedback!
- MVP system appreciated by players to recognise achievements.
- Successful BBQ at the end of the first outdoor league
- Taupo Hat tournament, best piñata ever! (thank you Kate and Simon)
- Indoorpendence tournament, our most popular indoor tournament with 120 players.
- Oriental Bay, despite the average weather made page 5 of the Dominion Post!
- Planning guide was developed to support the incoming exec, and the admin folder that was initiated by Leanne has expanded in size, with new categories added!
