

2008-09 MIXED NATIONALS

Event: National Ultimate Mixed Championships

Event Description:

This event is the national outdoor mixed ultimate frisbee championships held annually. This year it will be held at Nunweek Park in Christchurch. It is a mixed event that is supported by the national ultimate frisbee governing body – NZU. The winning team at this event can boast that they are the 2008/2009 Mixed Ultimate Frisbee outdoor champions. And so that we can have more winners, this year we will also have a “Plate” event for the lower half of the draw. The event is being run by the Canterbury Frisbee Flyers Club (CFFC).

When: 13-14 December 2008

Where: Nunweek Park, Woolridge Road, Christchurch (see the map below).

Cost:

The cost is \$55 per person (this includes a \$10 NZU levy); team managers are to collect the entry fee and complete the team registration form. There will be an early bird discount of \$5 per person if the team manager submits the NZU entry registration form and the team fees prior to the 21 November 2008. Hence if you pay before 21 November the fee is **\$50 per person. No team registrations will be accepted after 5 December and all fees must be paid by 5 December.**

Methods of payment and team registration:

Cheque: Cheques can be made out to “Canterbury Frisbee Flyers Club”. They should be posted with a completed registration form to:

Tournament Registration
c/- K. Watson
28 Pratt Street
New Brighton
Christchurch 8083

Team registrations can be emailed to katharine_watson@xtra.co.nz and team entry fees can be direct debited to Westpac bank account 03-0802-0900027-00. If you choose this method of payment, then please also email katharine_watson@xtra.co.nz to confirm the team name that the payment was for and the amount that you deposited.

Lunch Option:

We are considering a lunch option for this tournament. This would cost \$15 per person in your team, for both days. Basically we’d give your team a box of “goodies” for lunch each day of the tournament. If you are interested in this, then please let me know. If there is not enough demand for this, then it won’t happen.
